

Performance Management Program

This policy has been introduced in an endeavour to reduce the unacceptable number of yellow/ red cards that have been issued to Glenwood Redback Players.

Players who accumulate large numbers of yellow cards and receive red cards receive suspensions from BDSFA who are controlling the competition. The actions of these players also reflect on the reputation of our club. As such the Glenwood Redbacks FC Committee has made the following decision to impose our own penalty on an individual player if they are suspended by BDSFA for repeated Yellow cards or for a Red Card offence.

As such any player as described in the Yellow / Red Card policy as described below will be required to do Club Service.

What is Club Service?

This is where a player will be required to work as a volunteer at the club grounds for a period as designated. This work includes:

- BBQ Duty
- Set up on a Friday night, Saturday or Sunday.
- Pack up on a Friday night, Saturday or Sunday.

Is it Mandatory?

All players will abide by this policy. Failure to do the service will mean that the Club will not allow the player to recommence playing until his / her service is completed.

Yellow/ Red Card Policy

Please Note :

1. All Club Service is in addition to any BDSFA imposed penalties.
2. Policy only applies to cards issued in the current season.
3. Only applies for players aged 15 years and above
4. GLENWOOD REDBACKS FC Committee reserves the right to enforce more stringent sanctions if deemed necessary.
